Parent teacher meeting and End of term Reports

Dear parent and guardians,

We have been advised not to hold Parent Teacher Meetings in light of Covid-19 risks. Instead, we are going to report on your child's progress by means of a vsware report – combining the feedback of a PTM and an end of term exam in one report.

Christmas exams are also not happening in the usual way.

The schedule for end of term assessment for each year groups is as follows:

3 rd /5 th / 6 th / LCA 1 classes	
An assessment in class or assignments between weeks of Nov 2nd and Nov 20th	Reports published on Fri 20 th Nov, after 3pm

1 st / 2 nd / 4 th / LCA 2 classes	
An assessment in class or assignments between weeks of 30th Nov and Dec 18th	Reports published on Fri 18 th Dec, after 3pm

Teachers will advise the students of the type of assessment they will be used and the deadlines or dates. This will be written in **the journal** by the student for you to check.

After the publication of reports, you will be welcome to contact individual subject teachers to discuss any concerns you may have.

You are always welcome to contact the office, if you wish any teacher to give you a call about your child's progress.

Yours sincerely,

S. Curley
